The Top 50 Sport Fishing Boats of All Time

## #44: 65 Paul Mann

Paul Mann is another of the great North Carolina boatbuilders, and his boats deserve mention because of their combination of high performance and beautiful interior design. Mann was among the first to take the interiors of his boats to an entirely new level, offering dazzling combinations of burnished wood and lush fabrics, helping transform Carolina boats from relatively Spartan fishing machines into sportfishing yachts that can rival anything turned out by other custom builders in other areas.
